Dear Praying Friend:

This is an exciting time as we move forward on our trek to Alaska. We have been making contacts with local churches and will be speaking at several of them within the next month.

The Lord is showering us with blessings from unexpected sources: friends gave our letter to the mission committee at their church and *they called us*; and another friend emailed our brochure to a friend who emailed it to her pastor. His initial response was "NO", but he is sensing that the Lord is saying "YES".

We covet your prayers, here are some specific requests:

Praises:

- A fun evening presenting our call to Alaska to friends at Montgomery Evangelical Free Church

Prayer:

- Upcoming presentation to a Hillsborough church on June 6
- Presentation to a Bayville church's Missions Committee and Elders on June 10
- That the Jamesburg pastor would say "YES" to our presenting to his congregation
- For us to be able to prioritize our time
- Wisdom in contacting churches and individuals as part of our support discovery

Have a wonderful holiday weekend!

Following His Steps,  
**Lou & Andrea**
